All youth-serving organizations are welcome to join AYDC offerings, but by making a financial contribution you are making a collective investment in Anchorage's youth and their futures. By becoming a contributing member organization, your organization will receive:

- 25% discount on AYDC initiatives and trainings, both AYDC sponsored and on-site training rates. This includes Second Order Change, Youth Work Methods workshops, and more
- Priority consideration for AYDC grant opportunities.
- Priority consideration for agency spotlights at our monthly Full Coalition gatherings.
- Opportunity to apply for a seat on the AYDC Leadership Team.
- Free use of AYDC Conference Room (up to 3 times), including SMARTboard and video conferencing.
